MODECOM BASE MC-SHCW

MODECOM BASE MC-SHCW is a car holder for a car air-vent, which will allow you to mount your smartphone in an easy and convenient way. Thanks to the special mount, you can adjust the angle to achieve optimum visibility of the screen in attached device. This allows the most effective use of all the functions of a smartphone, such as GPS navigation while driving a car. Thanks to MODECOM BASE MC-SHCW you can conveniently use the functions of a smartphone, eg tracking the path on the display with the navigation function activated.

Key features

- ✓ Material ABS, silicone
- ✓ Place of mounting: Car air-vent
- ✓ Type: Mobile phones
- ✓ Compatible devices: 50 ~ 102mm

Car holder for air-vent

Practical solutions

Thanks to the special mount, you can adjust the angle to achieve optimum visibility of screen in attached device.

Mounting

Car holder keeps the device even during a rough journey without affecting the work of the attached smartphone.
