## MODECOM MC-45CU

MODECOM MC-45CU is a power adapter equipped with one USB-A charging port and one USB-C charging port for mobile devices. The power adapter enables easy connection and quick charging of mobile devices such as a smartphone or tablet. It is made of high quality materials, and the technological solutions provide maximum comfort of use and to safely and quickly charge the connected devices. The versatility of the power adapter is characterized by two USB charging ports. MODECOM MC-45CU is an excellent choice for people who have mobile devices compatible with the power adapter ports. Thanks to this solution, it is enough to have one power adapter to simultaneously charge up to two mobile devices. It saves time, the need to look for dedicated chargers and uses only one power source.

### Key features

- ✓ One USB-A charging port
- ✓ One USB-C charging port
- ✓ Fast charging
- ✓ Made of high quality materials, it ensures safe charging of connected devices and long life of the power adapter
- ✓ Universal usability

## Mobile devices power adapter

## Versatility

The versatility of the power adapter is characterized by two USB charging ports. MODECOM MC-45CU is an excellent choice for people who have mobile devices compatible with the power adapter ports. Thanks to this solution, it is enough to have one power adapter to simultaneously charge up to two mobile devices. It saves time, the need to look for dedicated chargers and uses only one power source.
