MODECOM ROYAL MC-UN90.1

MODECOM ROYAL MC-UN90.1 is a modern notebook power adapter, compatible with the majority of laptops available on the market with a power requirement of 90W. It has the function of automatically adjusting the correct voltage, you only need to plug in the appropriate plug. MODECOM ROYAL MC-UN90.1 is equipped with a number of advanced security features to protect powered devices. The MC-UN90.1 power adapter, thanks to its high efficiency and the appropriate set of plugs, fits most laptops on the market. This universal power adapter is a practical solution at home or during business trips - one power supply is able to restore power to different notebook models from several manufacturers.

Key points

- ✓ Compatible with most notebooks / laptops with different input voltages
- ✓ Compact size
- ✓ Technology to automatically select the correct voltage for a notebook / laptop
- ✓ LED
- ✓ Safety: (OP) over-power, (SC) short-circuit, (OC) over-current, (OV) over-voltage

Universal power adapter

Safety

To provide maximum safety level for your mobile computer, power adapter was equipped with advanced security filters:

- (OP) over-power,
- (SC) short-circuit,
- (OC) over-current,
- (OV) over-voltage

Versatility is an advantage

Versatility of the power adapter is its advantage – in „intelligent” way it selects the voltage for the laptop, which means you save space when traveling or working at home - one power supply can restore power to laptops from several manufacturers.

Automatically sets the correct voltage

You only need to connect power adapter with appropriate plug, and it will automatically choose the proper voltage value.

High quality

MC-UN90.1 is made in technology adapted to frequent handling and connection. Compact size makes adapter easy for carrying.

Universal power adapter**Included plugs**

05#-19V-Φ5.5*2.5	ASUS/ACER/HP/LENOVO
07#-19V-Φ5.5*1.7	ACER
09#-19.5V-Φ7.4*5.0	DELL
10#-19V-Φ7.4*5.0	HP
15#-20V-Φ7.9*5.5	LENOVO
36#-19V-Φ3.0*1.1	ASUS/SAMSUNG/ACER
37#d-19.5V-Φ4.5*3.0	DELL
37#h-19.5V-Φ4.5*3.0	HP
38#-20V-Φ11*4.6	LENOVO
